The story began last fall, when Grace Smith, Principal of Loxahatchee Groves Middle School, asked her "golden retriever," Brenda Carter, to help her get the word out about the opportunity to raise money for the school, which has already raised over \$30,000 this year. The first challenge was raising \$10,000 for the school. That has now been surpassed, thanks to the hard work of Vayshell Johnson and his team, and their efforts to earn more pledges for the school. "We set the goal at \$10,000, because that was what it would cost for the Groves kids to go on a summer field trip," said Vayshell, a rising sophomore at Taylor Allderdice High School (Talladega) and a leader a1d647c40b
