
The Protector 2 (2013) .720p.BluRay.x264 YIFY

Here we invite you to download The Protector 2 with English subtitles. This subtitle works with various qualities such as WebRip, 480p, 720p, 1080p Full HD, ... and it can all be in English and German. This obviously means that the subtitles do not always appear in sync. For some subtitles, it doesn't matter at all, so you can enjoy watching without worrying about them. However, some subtitles appear a fraction of a second later or they start to disappear earlier than others. Since I'm not writing about technical issues in this article, I decided to just go with this subtitle option.
