The year is 37 BC. Julius Caesar has been assassinated, and civil war rages. Eager to avenge his death, Brutus holds high court in Rome, intent on destroying the monarchy and installing a republic. Half of Rome's leading families are active participants in the struggle for power. While various factions continue to war, a younger generation of Rome's elite find themselves drawn into a titanic struggle for survival. Begin your journey as a fledgling senator in the emerging republic, carving out a position for yourself at the pinnacle of Roman society. Your character is free to choose his fate. Will he play by the rules, or will he choose his own path? Build your character and experience the different worlds of the ancient Roman Republic from the perspective of a virtual camera, and watch events unfold through the eyes of your characters. You can even take your characters and write your own stories within the game. Screenshots: Advertisement Description Retaliation Path of Rome: The year is 37 BC.
