1. Job Invoice Template features an invoice number ...online store. I would like to use the same way to make my friends & followers receiving my products. Here the working example: [jelentkezzen be az URL megtekintéséhez] I would like to make it like the [jelentkezzen be az URL megtekintéséhez] or similar. [jelentkezzen be az URL megtekintéséhez] I need someone that is extremely good with InDesign I am looking for a design with 2 columns and no background color. It needs to be simple and elegant. Printed on the front of a business card or letter-size envelope. Please let me know if you have any questions and send me a design you have created! Please do not bid if you do not have any recent designs. Thank you! I am looking for someone who can deliver the following, preferably on a shared drive on MS Office 365. 1) MS Word: Must have a few templates that can be used for invoices, payment receipt and in-house expenses. 2) MS Excel: Must have the ability to create a PDF invoice, PDF receipt and PDF in-house expenses for our company. 3) Must have access to a shared drive in Office 365 I am looking for some help with a job that I have. I need to create a marketing template using Photoshop that could be used by others to follow. I would like the template to include the following: - Company logo, headers, and a background image. - A new article about the company and its business model. - Articles for the different categories of the company. - A call to action ...designer to create a logo and this lettering for a texturized body. I have attached the attached logos so you know what the font looks like. I would like the lettering to say "Ashley Wood Designs". You can use the word "WOODS" and I am happy if you use the font from the attached images. Note: The artwork should be very clean and pretty The company is named K-Medics Ltd. and we sell and deliver medical services to the public and private sector, we are very young company with only 4 people currently and we need a logo that is eye catching that tells a story of how we were born and now are
